## Objective

Dynamic Frontend and WordPress Developer with over **3 years of experience** in delivering innovative and user-centric web solutions. Proficient in modern frontend technologies and passionate about creating seamless, high-performance websites. Adept at collaborating with cross-functional teams and continuously learning to stay ahead of industry trends. Seeking a challenging role to leverage my technical expertise and creative problem-solving skills to contribute to a high-performing development team.

## Professional Experience

### Surepeople | July 2021 – Present Frontend Developer

- Designed and developed a marketing website for SurePeople using ReactJS, showcasing expertise in creating engaging, user-friendly interfaces.
- Customized multiple WordPress websites to meet specific client needs, ensuring seamless functionality and user experience.
- Collaborated with remote teams to achieve impactful digital outcomes, leveraging expertise in HTML, CSS, JavaScript, and various editing tools.
- Utilized Figma for design and Git for version control, ensuring efficient and effective development processes.
- Worked closely with clients to understand their needs and preferences, delivering tailored web solutions that meet their requirements.

## **Kaytele Infraprojects**

**AutoCAD Draftsman | *May 2018 - June 2021***

- Created detailed optical fiber drawings using AutoCAD, ensuring accuracy and precision in design.
- Conducted site visits to assess project requirements and conditions, identifying potential issues and opportunities for improvement.
- Performed material audits to ensure compliance with project specifications, mitigating risks and ensuring quality control.
- Collaborated with engineering teams to develop accurate and efficient designs, leveraging expertise and best practices.
- Assisted in the planning and execution of fiber optic installations, ensuring smooth project delivery and minimal disruptions.

## **Education**

- **Pursuing MCA (Master of Computer Applications)**
- **B.Com**

## **Certifications:**

- **React.Js - Ducat**
- **MS SQL – MicroSoft**
- **.NET**
